Re: Team Sponsorship

Soccer season is once again upon us and we are looking forward to another very successful year. A tremendous burden is lifted from our youth organization each year because of businesses, companies and individuals such as yourself.

Bluewater Soccer is an organization of volunteers, who share not only a passion for the game, but are committed to the growth and development of each individual player.

Last year, sponsor support enabled area kids to participate in our program by helping to defray the costs of uniforms, equipment, and facilities maintenance. This season, the Bluewater Soccer Club will once again enter competitive teams in the London & District Youth Soccer, Lambton Kent, and Western Ontario Soccer Leagues and is requesting team sponsorship of \$600.

With your support as a Team Sponsor, we will continue to provide competitive soccer in Lambton County. Your logo will be displayed on the players and coaches' jersey in addition you will receive a plaque with a team picture in appreciation of your support. Your sponsorship and corporate logo will be advertised on our website www.bluewatersoccer.org. An invoice is attached for your convenience.

Send an electronic jpeg file to bluewatersoccer@cogeco.ca.

Please forward a cheque payable to Bluewater Soccer Club:
